CAREER OBJECTIVE

A student pursuing Bachelor of Computer Engineering in SPPU University. I am seeking a dynamic opportunity as a Frontend Developer to leverage my strong passion for creating visually appealing and user-friendly websites. With a solid foundation in computer engineering and a keen interest in frontend design, I am eager to contribute my creative skills, rapid learning capabilities, and enthusiasm for cutting-edge web technologies to a collaborative and innovative development team. My goal is to deliver exceptional user experiences through well-crafted and aesthetically pleasing web interfaces while continuously expanding my skill set and contributing to the success of the organization.
